Re: Grant #2250

Dear Dr. Lauder:

The Scientific Director and CTR's staff have discussed your letter concerning support for the 1988 ISDN Workshop "Vascular and Hypoxic Insults in the Developing Brain" to be held in Jerusalem. The tentative list of topics to be discussed seems very appropriate for CTR's current priorities. We would be pleased to contribute $2500.00. A check for that amount is enclosed with this letter. It would assist in our record-keeping if we could have a short written acknowledgement of the contribution.

We request only that these funds not be used to pay for expenses incurred by any participants from the industrial sector.

Sincerely,

Harmon C. McAllister
